

SMART HEPHZIBAH

SUPPLEMENTAL MATH + READING PROGRAM

WHAT IS SMART HEPHZIBAH?

SMART Hephzibah is a supplemental math and reading program used with in-school learning to give students an extra boost in these subjects.

HOW DOES IT WORK?

Strengthening Math Advancement by Reinforcing Teaching (SMART Hephzibah) offers weekly instruction over Zoom for students in 2nd – 6th grades and is facilitated by teachers from Oak Park School District 97. This program offers both regular and advanced levels, depending on your child's needs.

WHEN DOES SMART HEPHZIBAH TAKE PLACE?

Sessions run seven weeks, and meet once per week in the spring, summer, fall and winter:

- Spring Session: April – May
- Summer Session: June – August
- Fall Session: October – December
- Winter Session: January – February

HOW MUCH DOES IT COST?

The cost is \$84 for seven sessions. Scholarships are available.

**REGISTRATION FOR FALL 2024 SESSION: SEPTEMBER 13 - OCTOBER 7.
FALL 2024 SESSIONS RUN FROM OCTOBER 21 - DECEMBER 13.**
